

Helen Pynor Prepares Contemporary Art Exhibit In Sydney

Hellen Pynor's unique contemporary art collection is coming to the Dominik Mersch Gallery.

Art, science and humanity collide in Pynor's avant-garde exhibition, *The Accidental Primate*. Pynor, who has had her work showcased in the likes of the Powerhouse Museum, Science Gallery Dublin and National Centre for Contemporary Arts Russia, has created a stunning series of artworks that explore the relationship between evolution and survival.

***The Accidental Primate* opens at the [Dominik Mersch Gallery](#) on Friday November 11.**
