

What's on in Sydney: 20 things to hear, see and do this weekend

2 **ART** **A DELICATE BALANCE**

TEchoing the circles, contours and curves of nature, Marion Borgelt's *A Delicate Balance* traverses a wide range of paintings, sculpture and installation. From a series of radiata pine, duck eggshell and beeswax spheres to the bending ply and laminate of the impossibly flexible *Red Full Circle* (pictured), the words of the show's title reverberate in the gallery. **SHARNE WOLFF**
